1. 项目概况

Project Overview

项目名称：**【地磅升级改造】采购项目**

Project Name: **【Weighbridge Upgrade and Renovation】 Procurement projects**

采购内容：地磅升级改造（27 项，详见采购清单）

Procurement content: Weighbridge Upgrade and Renovation(27 items, see procurement list)

包括不限于本产品的设计、制造、供货及施工安装，DDP 方式到买方指定地点等

Including, but not limited to, the design, manufacture, construction and installation of the product, DDP to the buyer's designated location, etc.

交货/施工地点：印尼巴厘省布莱冷县格罗格区切鲁坎巴旺村， 巴厘通用能源公司仓库（邮编 81155）

Delivery/Construction Location: PT General Energy Bali Warehouse, Celukan Bawang Village, Gerokgak District, Buleleng Regency, Bali, Indonesia (Postal Code 81155)

交货/施工日期：GEB 原则要求成交供应商自合同签订之日起 60 个日历天内完成交货；对于涉及现场施工的项目，供应商或施工单位应自施工队伍进入 GEB 现场并完成入场手续之日起 14 个日历天内完成全部施工工作。供应商或施工单位应结合库存、生产、运输及现场施工等实际情况，在报价文件中分别明确承诺交货周期及施工周期。对于承诺交货周期超过 60 个日历天，或施工周期超过 14 个日历天的，供应商或施工单位应在报价文件中提供相应的交货及施工周期，并说明具体原因。GEB 公司将根据采购项目实际需求，对交货及施工周期的合理性进行审核；经审核认为能够满足采购需求的，可继续参与评审；经审核认为无法满足采购需求的，GEB 有权认定其响应不满足采购文件要求，不参与后续评审。

Delivery/Construction Schedule: As a general requirement, GEB requires the successful Supplier to complete delivery within 60 calendar days from the date of contract signing. For projects involving on-site construction, the Supplier or Contractor shall complete all construction works within 14 calendar days from the date on which the construction team enters the GEB site and completes the required site entry procedures. The Supplier or Contractor shall specify the

proposed delivery and construction periods separately in its quotation, taking into consideration actual conditions such as stock availability, production, transportation, and on-site construction arrangements. If the proposed delivery period exceeds 60 calendar days or the proposed construction period exceeds 14 calendar days, the Supplier or Contractor shall specify the corresponding delivery and construction periods in its quotation and provide explanations for the extended periods. GEB shall review the reasonableness of the proposed delivery and construction periods based on the actual requirements of the procurement project. If GEB determines that the proposed periods are capable of meeting the procurement requirements, the Supplier or Contractor may proceed to the subsequent evaluation stage. If GEB determines that the proposed periods are unable to meet the procurement requirements, GEB reserves the right to consider the Bidder's response non-compliant with the procurement documents and exclude it from further evaluation.
